

January 2009

Dear Prescription Advantage Member:

You recently received letters from Prescription Advantage notifying you of changes to your Prescription Advantage benefits. These changes became effective January 1, 2009 and result in an increase in your prescription drug costs.

We want to make sure that you understand how your Prescription Advantage benefits will work in 2009 and what options you may have available to help lower your costs. A series of optional informational seminars has been scheduled in the Boston area. Representatives from the Executive Office of Elder Affairs will explain the program and answer questions.

Please review the enclosed list of seminars and select the location that is most convenient for you to attend. If you are unable to take part in one of these sessions, a friend, family member or caregiver may attend on your behalf.

Please call us at **617- 222-7582** to let us know which session you will be attending.

We look forward to seeing you at one of our sessions.

Sincerely,

Prescription Advantage
